Yvonne Garrick, theatrical star, who recently arrived from Paris. She will appear next month at the French Theatre.

Above—"Hello, New York!" exclaimed Mary Garden, opera star, when she returned recently from Europe. This snapshot was taken by a SUN photographer as the ship came up the bay.

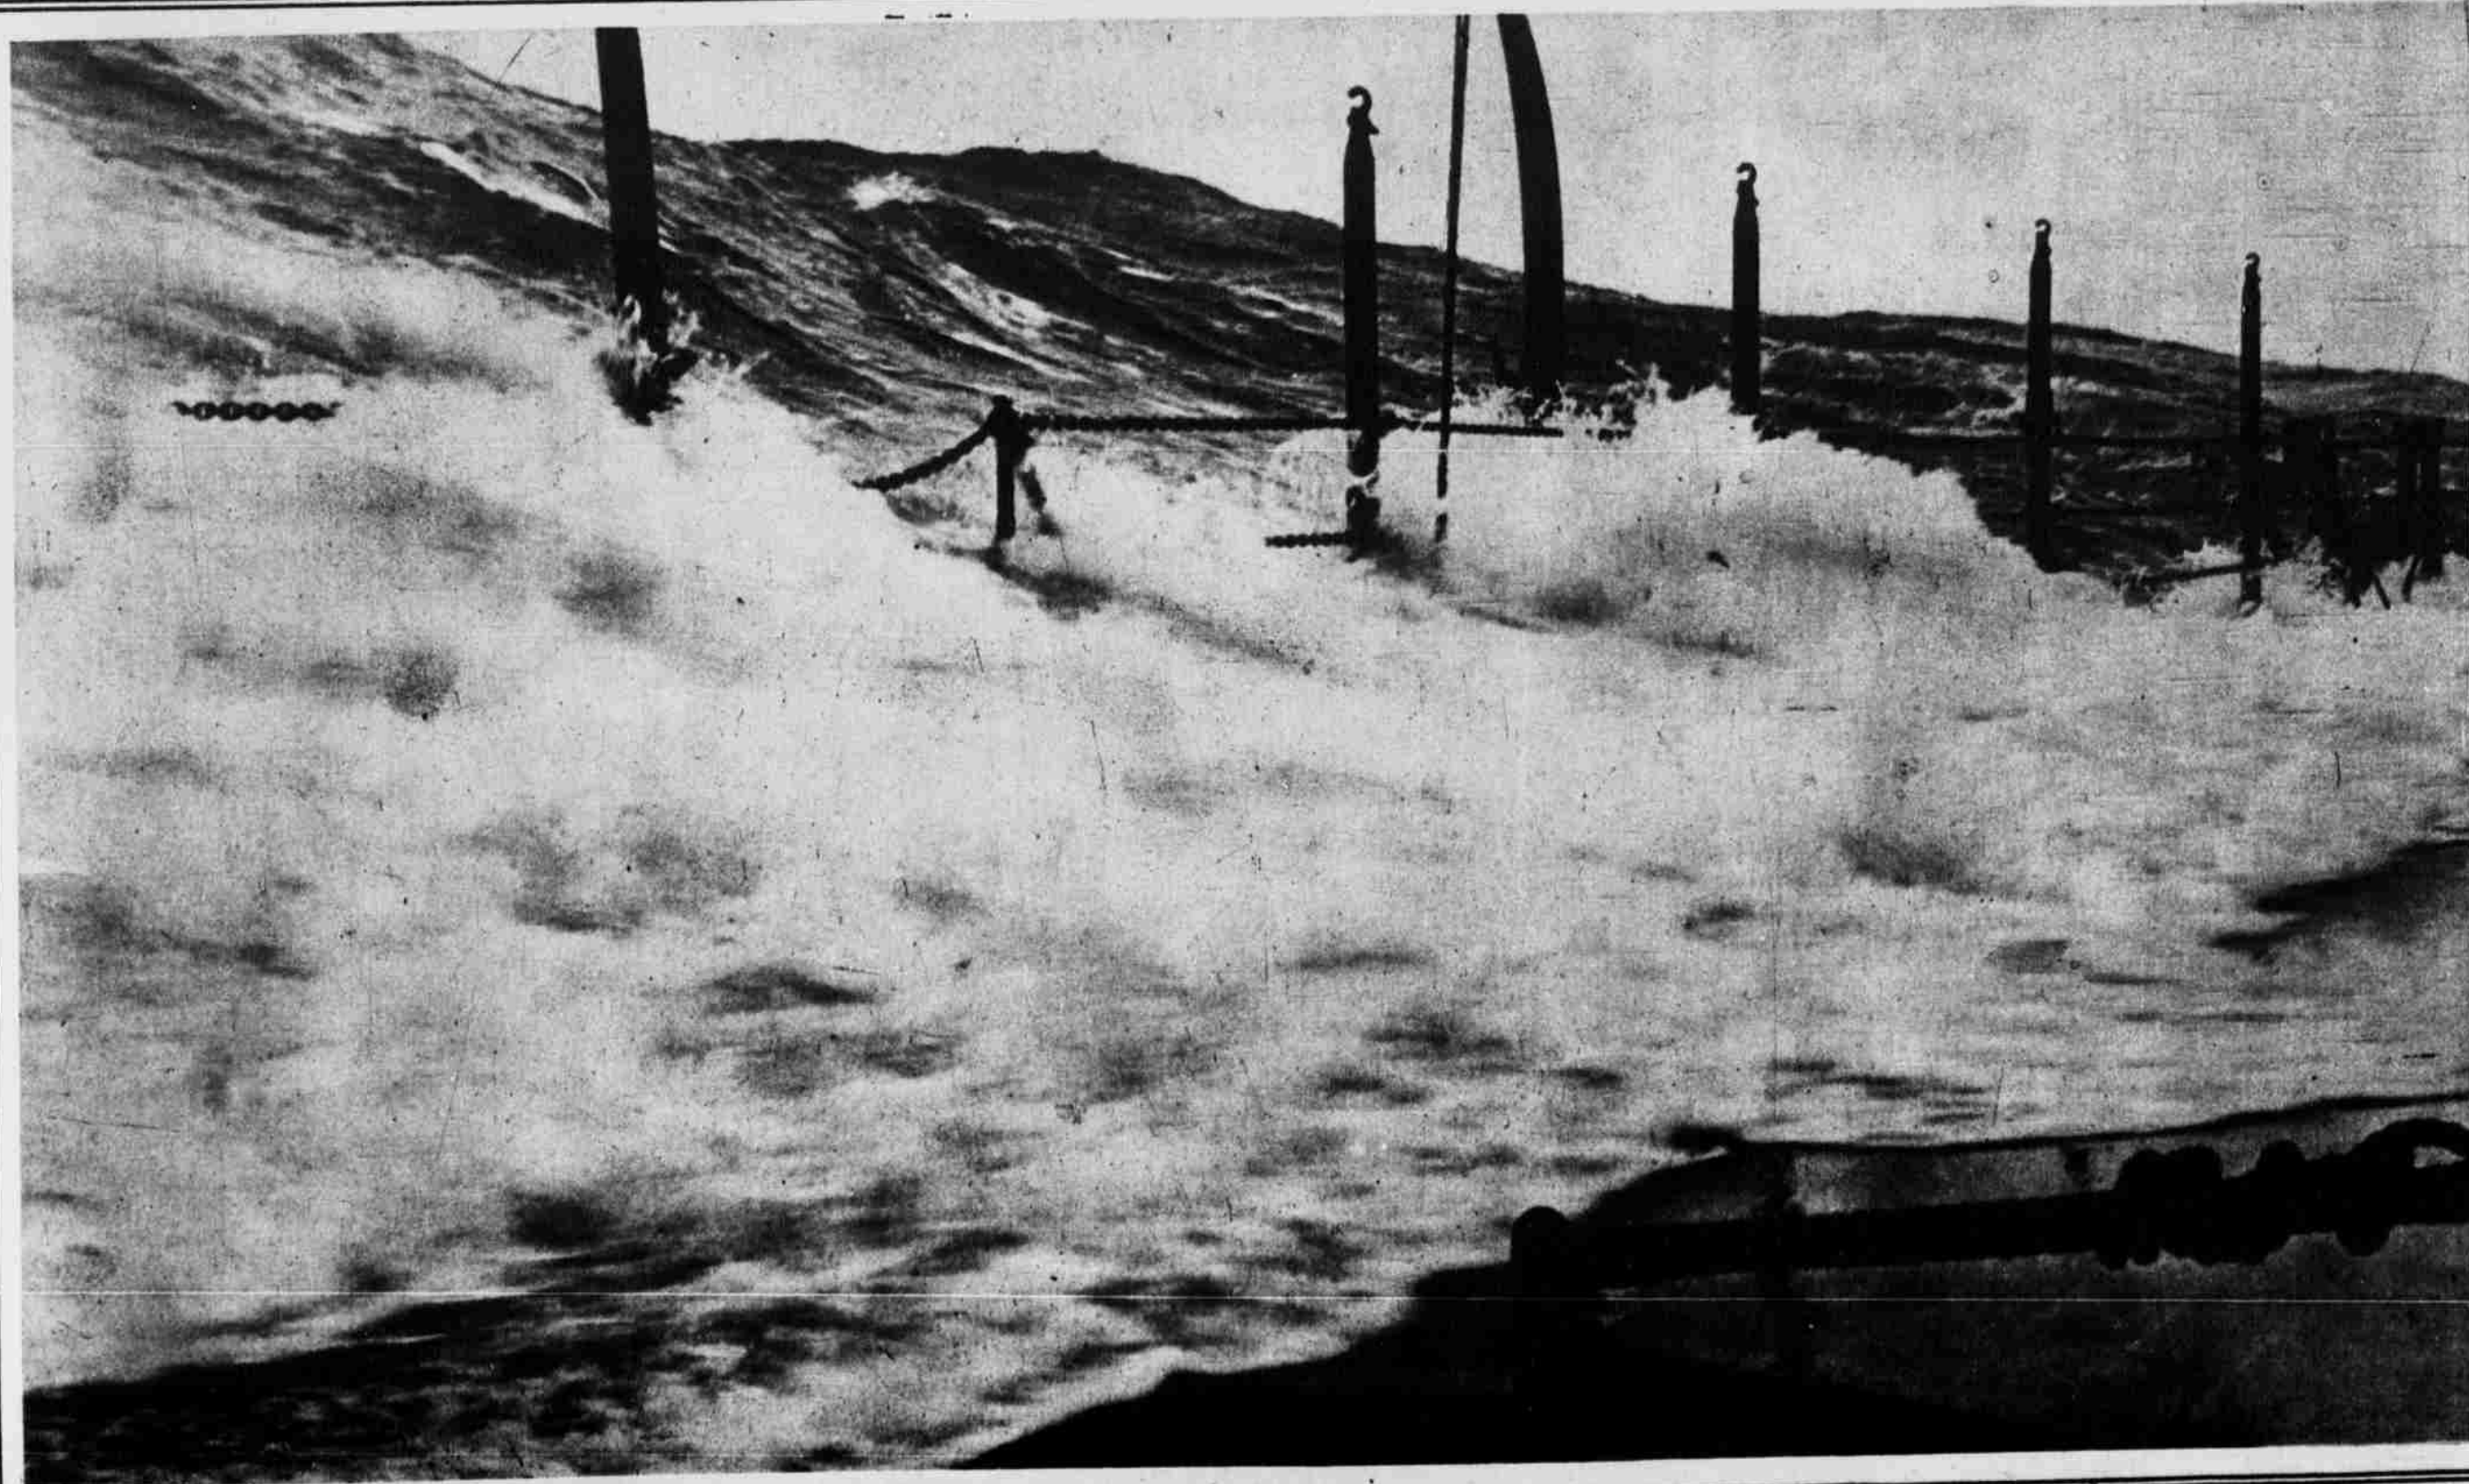

At right—Dr. Alexis Carrel, famous French surgeon, who has returned to America to continue his research work at the Rockefeller Institute.

By a SUN Staff Photographer.

Danish women have had the vote for some time, but here is the first woman elected to the national legislature. She is Mme. Munch, wife of Denmark's War Minister, and is seen here addressing the house.
